Expectation to Attend Termly Safeguarding Check

Dear Service User / Parent / Carer,

At Tree of Life Educational and Therapeutic Input Ltd, the safety and wellbeing of all the children, young people, and families we work with is our highest priority. As part of our ongoing commitment to safeguarding, we ask all service users to attend a termly safeguarding check with us.

These checks help us to:

- Ensure that everyone continues to feel safe and supported.
- Review any concerns or changes in circumstances.
- Offer guidance and signpost to additional support if needed.
- Meet our statutory safeguarding responsibilities.

We kindly request that you attend your termly safeguarding check at a minimum termly.

Thank you for your continued support in working together to safeguard children and families.

Tree of Life Educational & Therapeutic Ltd

Yours sincerely,
